

THE CONFETTI COMPANY SONG  
Music and Lyrics by Neal Fox

The curtain goes up  
And the lights go down  
The people show up  
From all over town  
We're gonna give 'em  
Their money's worth  
We're gonna give  
The best show on Earth

We'll keep you sittin'  
On the edge of your seat  
You'll laugh and cry  
Then you'll tap your feet  
We'll play the parts  
Until the story ends  
The show might be over  
But we're still friends

Chorus:

We come in every color  
That you can see  
We're all a part of  
THE CONFETTI COMPANY

We got the power  
To be or not to be  
Imagination can set you free  
Nobody goes home  
'Til we see a great big smile  
CONFETTI COMPANY  
We got style!
